

Budget Transfer Job Aid

Questions on this Job Aid should be directed to Mary Alice Mills, Corbin deNagy, or Kyle DeRouin

Purpose

Prior to the start of each fiscal year, departments formulate an annual operating budget. Once approved, this budget is booked in the commitment control (KK) ledgers in the university’s enterprise resource planning system, OMNI. Each department’s spending is controlled by their expense budget. That is, a department cannot spend more than they have budgeted on a particular department-fund-account combination.

Annual operating budgets developed prior to the start of a fiscal year are based upon estimates and plans. As estimates become actuals and plans change, expense budgets in KK must be adjusted so that departments may continue to spend as needed.

This job aid details the steps needed to process a budget transfer.

Note: Budget transactions involving sponsored research must be coordinated through Sponsored Research Administration (SRA).

Processing a Budget Transfer

Step 1

Note: Before you can process a budget transfer, you must have the Budget Transfer role. The [Budget Transfer Role Request](#) section in this job aid provides step-by-step instructions on how to request the role.

Navigation:

myFSU Portal > Financials > Main Menu > Commitment Control > Budget Journals > Enter Budget Transfer

Add a new budget transfer by clicking the “Add” button on the “Add a New Value” tab. (If you do not have the “Add a New Value” tab, you do not have the Budget Transfer role.)

Favorites > Main Menu > Commitment Control > Budget Journals > Enter Budget Transfer

Enter Budget Transfer

Find an Existing Value | Add a New Value

Business Unit: FSU01

Journal ID: NEXT

Journal Date: [Calendar Icon]

Add

Find an Existing Value | Add a New Value

Step 2

On the “Budget Header” tab, enter a Long Description for your budget transfer (e.g., “Transfer 046000-110 budget from OPS to Expense to correct deficit”). If your transfer is recurring, change the “Budget Entry Type” from “Non-Recurring Transfer” to “Recurring Transfer”.

Note: Transfers involving E&G (110, 121, 210, and 211) can be recurring (permanent) or non-recurring (temporary). Transfers involving E&G-Carryforward (140, 126, 240, and 241), Designated, Auxiliary, Restricted, or Debt Service should only be non-recurring. For more information regarding recurring and non-recurring adjustments, review the [Departmental Guide to Budget Adjustments](#).

Click the “Budget Lines” tab.

The screenshot shows the "Budget Header" tab selected, with the "Budget Lines" sub-tab highlighted in red. The "Budget Entry Type" dropdown is also circled in red and set to "Non-Recurring Transfer". The "Long Description" field is circled in red and contains the text "Transfer 046000-110 budget from OPS to Expense to correct deficit". Other fields include Unit (FSU01), Journal ID (NEXT), Date, Ledger Group (CC_EXP_GRP), Fiscal Year, Period, Control ChartField, Fund Code, Budget Header Status (None), *Currency (USD), Rate Type (CRRNT), Exchange Rate (1.00000000), Cur Effdt, Budget Type (Expense), and Attachments (0). Buttons for Save, Notify, Refresh, Add, and Update/Display are visible at the bottom.

Step 3

On the “Budget Lines” tab, enter the Dept, Fund, Account and Amount.

Enter figures as negative numbers (“Credits”) to reduce the budget and as positive numbers (“Debits”) to increase the budget. The example below reduces the budget on 046000-110-720000 by \$1,000 and increases the budget on 046000-110-740000 by \$1,000.

The reference field (Ref) and Journal Class (most will use “XFER” for a transfer within a College, or “XSC” for a transfer between Colleges) are optional.

Note: Total Credits must equal total Debits.

Add lines as needed by clicking the  button.

The screenshot displays the 'Budget Lines' tab of a financial system. At the top, there are navigation tabs: 'Budget Header', 'Budget Lines' (selected), and 'Budget Errors'. Below the tabs, the 'Unit' is set to 'FSU01' and the 'Journal ID' is 'NEXT'. The 'Date' field is empty, and the 'Budget Header Status' is 'None'. A dropdown menu for '*Process' is set to 'Post Journal', with a 'Process' button to its right. The main area is titled 'Lines' and contains a table with columns: Delete, Line, Ledger, Budget Period, Dept, Fund, Account, Amount, Ref, and Journal Class. Two lines are listed: Line 1 with a debit of -1,000.00 and Line 2 with a credit of 1,000.00. Below the table, there is a 'Lines to add' section with a '1' in a box, plus and minus buttons, and a 'Journal Line Copy Down' link. To the right, there are 'From Line' and 'To' input fields and a 'Generate Budget Period Lines' button. A 'Totals' section shows 'Total Lines 2', 'Total Debits 1,000.00', and 'Total Credits 1,000.00'. At the bottom, there are buttons for 'Save', 'Notify', 'Refresh', 'Add', and 'Update/Display'.

Totals: Total Lines 2, Total Debits 1,000.00, Total Credits 1,000.00

Buttons: Save, Notify, Refresh, Add, Update/Display

Step 4

When you are finished entering your transfer information, click the “Save” button. This will generate a Journal ID for your transfer.

If you are ready to post the journal, click the “Process” button.

The screenshot shows the 'Budget Lines' tab in a web application. At the top, there are tabs for 'Budget Header', 'Budget Lines', and 'Budget Errors'. Below these, the 'Unit' is 'FSU01', the 'Journal ID' is '0000255575', and the 'Date' is blank. The 'Budget Header Status' is 'None'. A dropdown menu for '*Process' is set to 'Post Journal'. A yellow 'Process' button is circled in red. Below this is a table with columns: Delete, Line, Ledger, Budget Period, Dept, Fund, Account, Amount, Ref, and Journal Class. The table contains two rows: Line 1 with a debit of -1,000.00 and Line 2 with a credit of 1,000.00. Below the table, there are 'Lines to add' fields and a 'Generate Budget Period Lines' button. At the bottom, there is a 'Totals' section showing 'Total Lines: 2', 'Total Debits: 1,000.00', and 'Total Credits: 1,000.00'. A 'Save' button is circled in red at the bottom left.

A pop-up message will appear asking if you are sure that you want to post the journal. If you are sure, click the “Yes” button.

The screenshot shows a 'Message' dialog box with the text: 'Are you sure that you want to post this journal? (5010,45)'. There are two buttons: 'Yes' and 'No'.

After a few seconds, your budget transfer should show a “Budget Header Status” of “Posted.” Your budget transfer is now complete.

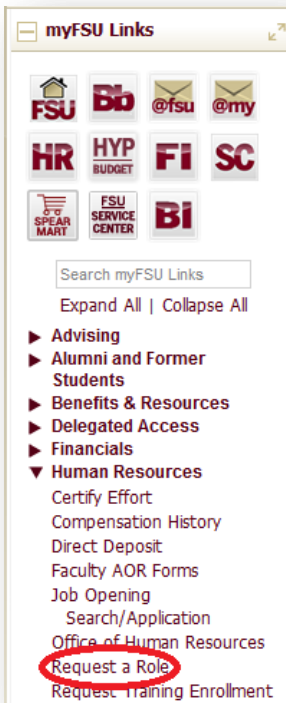

The screenshot shows the 'Budget Lines' tab in a web application. The 'Unit' is 'FSU01', the 'Journal ID' is blank, and the 'Date' is blank. The 'Budget Header Status' is 'Posted', which is circled in red. The breadcrumb trail at the top reads: 'Favorites > Main Menu > Commitment Control > Budget Journals > Enter Budget Transfer'.

Note: Review the section on [Budget Transfer Errors](#) if your “Budget Header Status” is anything other than “Posted.”

Budget Transfer Errors

“*Not Balanced*”: Credits do not equal Debits.

“*Error*”: There is not sufficient budget on the department-fund-account combination from which you are attempting to transfer.

“*Security Error*”:

- Using an improper account (e.g., using 710000 or a GL account code). Review the [Budget Transfer Account](#) section in this job aid for a list of accounts available to use in a budget transfer.
- Transferring between funds.
- Transferring to/from a department outside your access (must be posted by the Budget Office).
- Using multiple funds in the same transfer (must be posted by the Budget Office).
- Using certain accounts that must be posted by the Budget Office. Review the [Overview of Budget Transfers](#) for specifics on what must be posted by the Budget Office.

If the transfer must be posted by the Budget Office, click the “Notify” button.

The screenshot shows a web interface for budget transfers. At the top, there are tabs for 'Budget Header', 'Budget Lines', and 'Budget Errors'. Below the tabs, the 'Unit' is 'FSU01' and 'Journal ID' is displayed. A section titled 'Lines' contains a table with columns: 'Delete', 'Line', 'Ledger', 'Budget Period', and 'Dept'. The table has two rows: Line 1 with Ledger 'CC_BUD', Budget Period '2017', and Dept '04600'; and Line 2 with Ledger 'CC_BUD', Budget Period '2017', and Dept '04600'. Below the table is a 'Lines to add' section with a text input containing '1', plus and minus buttons, and a 'Journal Line Copy Down' button. A 'Totals' section shows 'Total Lines 2' and 'Total D'. At the bottom, there are buttons for 'Save', 'Return to Search', 'Notify' (circled in red), and 'Refresh'. The footer of the interface reads 'Budget Header | Budget Lines | Budget Errors'.
