Data Validation Messages

Data validation messages are put in place to warn Budget Preparers of possible errors and to ensure an accurate budget.

If your entry column(s) or account(s) is highlighted, a data validation message will also appear meaning action may be required. Review the message by clicking on the Data Validation Messages hyperlink.

Make changes as necessary and save your entry.

The following page includes a complete list of data validation messages and their solution.

Reports

Operating budget reports are available in BI. To access these reports, you must have the role FSU_HYP_BI_REPORTS.

Similar to other reports in BI, information contained in the reports is as of the previous day, so you must wait until the day following your budget entry to see it reflected on these reports.

The Budget Office has developed two operating budget reports: E&G Budget Requests (contains E&G and Carryforward) and Non-E&G Budget Requests. To open these reports, go to: BI > Dashboards > HYP - Operating Budget Requests.

These reports function the same way, so the following can be used to navigate both.

Step 1
Change the prompts, as needed.

Note: Division is the only required prompt.
Note: The Fiscal Years prompt will default to the years populated in Hyperion. It is recommended to utilize the default.

Click Apply.

Step 2
Change the Level as needed.

Note: The Department Level Export tab is only on the E&G Budget Requests dashboard.
Examples:

<table>
<thead>
<tr>
<th>Report Needed</th>
<th>Prompt Selection</th>
</tr>
</thead>
<tbody>
<tr>
<td>Summary of entire Student Affairs Division, fund 110</td>
<td>Division: DIV SA - Student Affairs&lt;br&gt;School: (leave blank)&lt;br&gt;Area: (leave blank)&lt;br&gt;Department: (leave blank)&lt;br&gt;Fund: 110 - E&amp;G General Revenue</td>
</tr>
<tr>
<td>Summary of entire College of Business, fund 110 and 140</td>
<td>Division: DIV AA Academic Affairs&lt;br&gt;School: BUS - College of Business&lt;br&gt;Area: (leave blank)&lt;br&gt;Department: (leave blank)&lt;br&gt;Fund: 110 - E&amp;G General Revenue, 140 - E&amp;G GR-Carryforward</td>
</tr>
<tr>
<td>Summary of entire Chemical Engineering area, fund 140 and 241</td>
<td>Division: DIV AA Academic Affairs&lt;br&gt;School: ENG - College of Engineering&lt;br&gt;Area: 214 - Chemical Engineering&lt;br&gt;Department: (leave blank)&lt;br&gt;Fund: 140 - E&amp;G GR-Carryforward, 241 - Engineering Carryforward</td>

</tr>
</tbody>
</table>

Note: These reports have two sections. The first section shows the results for the prompt selections. The second section subtotals the prompt selections. For example, if you run a report for department 046000, fund 110 and 140, the first section will include the budget request for 046000-110 and 046000-140. The second section will subtotal both budget requests.

Step 3
If you need to print the report, click the button in upper right corner of the page, hover over Print and select Printable PDF.
